Leave Policy

1. Annual Leave Entitlement

Full-time employees accrue paid annual leave based on their length of continuous service:

Less than 2 years of service: 15 days per year.

2 years up to (but not including) 5 years of service: 20 days per year.

5 years of service or more: 25 days per year.

Part-time employees receive a pro-rated entitlement based on contracted hours.

Up to 5 unused days may be carried over into the next year and must be used by March 31. Any other unused days are forfeited and are not paid out.

2. Sick Leave

Employees receive 10 days of paid sick leave per calendar year. Unused sick leave does not carry over.

A medical certificate is required for any absence of more than 3 consecutive working days.

Employees must notify their line manager before the start of their shift on each day of absence.

3. Parental Leave

Employees are eligible for paid parental leave after 12 months of continuous employment.

The primary caregiver receives 16 weeks of leave at full pay. The secondary caregiver receives 4 weeks of leave at full pay. Both may be taken any time within 12 months of the birth or adoption.

Employees must give at least 8 weeks' written notice to HR before the intended start of parental leave.

Employees with less than 12 months of service may take up to 12 weeks of unpaid parental leave.
